8.1 **Default of Buyer.** If the Buyer has not terminated this Contract pursuant to any of the provisions hereof authorizing such termination, and Buyer defaults hereunder and fails to perform any of the covenants and/or agreements contained herein which are to be performed by Buyer, Seller shall be entitled to receive the Earnest Money Deposit as Seller's sole and exclusive remedy, as liquidated damages, due to the inconvenience of ascertaining and measuring actual damages, and the uncertainty thereof.

8.2 Default of Seller. If Seller fails or refuses to consummate the sale of the Project to Buyer pursuant to this Contract at the Closing, or Seller fails to perform any of its other obligations hereunder for any reason other than Buyer's failure to perform Buyer's obligations under this Contract, then Buyer may, as Buyer's sole and exclusive right and remedy for any such default, either (i) Buyer may terminate this Contract by giving written notice thereof to Seller and the Title Company and Seller shall deliver all of the Earnest Money Deposit to Buyer and thereafter neither party hereto shall have any further rights or obligations hereunder; and (ii) Seller will absorb any of the costs the Seller may have incurred in preparation for the conveyance of the Property.

8.3 Effect of Termination. Upon termination of this Contract under this Section 8 or pursuant to any other provision of this Contract, no party thereafter shall have any further obligations to the other hereunder except for the payment of any sums or damages upon termination as provided herein and except for any covenants and obligations which expressly survive such termination.

ARTICLE IX BROKERAGE COMMISSIONS

9.1 Representations Concerning Brokerage Commission. Seller hereby represents and warrants to Buyer that it has not contracted or entered into any agreement with any real estate broker, agent, finder, or any other party in connection with this transaction, and that Seller has not taken any action which would result in any real estate broker's, finder's, or other fees or commissions being due or payable to any other party with respect to the transaction contemplated hereby. Buyer hereby represents and warrants to Seller that Buyer has not contracted or entered into any agreement with any real estate broker, agent, finder, or other party in connection with this transaction.

ARTICLE X CASUALTY OR CONDEMNATION

10.1 Right of Termination. Seller agrees to give Buyer and Title Company prompt notice of any fire or other casualty affecting the Project or of any actual or threatened taking or condemnation of all or any portion of the Project. If, prior to the Closing, there shall occur damage to the Project caused by fire or other casualty, then Seller or Buyer shall have the right to postpone the Closing Date or terminate this Contract by written notice delivered to the other party within 30 Business Days after Buyer has received notice from Seller of that event or the date of the fire or other casualty or Seller's receipt of notice of taking or condemnation, whichever shall first occur. If this Contract is terminated pursuant to this Section 10.1, the Earnest Money Deposit shall be returned to Buyer and the parties shall have no further obligations under this Contract, or to each other with respect to the subject matter of this Contract. Notwithstanding the foregoing, in the event that the cost of repairing or restoring such damage shall be covered by available insurance and such cost shall be less than \$10,000, then

Buyer shall proceed to Closing and Seller shall assign at Closing to Buyer its right, title and interest in the insurance proceeds available to repair or restore the damage or destruction and to any applicable rent loss insurance and, in addition, Seller shall credit the Purchase Price with the amount of any deductible under such insurance policy(s).

10.2 Postponement of Closing. In the event that Buyer gives notice to postpone the Closing Date pending a determination of the nature and extent of such damage or destruction and the availability and adequacy of insurance proceeds, the postponement shall be in effect for an additional 20 Business Days after the 30 Business Day period that Buyer has to give notice of its desire to postpone (the *Damages Determination Period*).

10.3 Insurance for Repair. If the cost to repair or replace the damage is reasonably estimated by the Seller's insurance adjuster to exceed \$10,000, then at Buyer's election and in its sole discretion, Buyer may elect to proceed with the Closing and at the Closing, Seller shall assign to Buyer its right, title and interest in the insurance proceeds available to repair or restore the damage or destruction and to any applicable rent loss proceeds, and Seller shall credit the Purchase Price with the amount of any deductible under such insurance policy(s).

3.05 Lessor's Approval of Plans. Lessor's approval of any plans, specifications and working drawings for Lessee's construction or alterations of improvements shall create no responsibility or liability on the part of Lessor for their completeness, design sufficiency or compliance with all laws, rules and regulations of federal, state, county and municipal authorities. It is specifically understood that the Parks and Recreation Department is only one of numerous departments of the Lessor and that, in addition to obtaining approval of the Parks and Recreation Department, Lessee may be required to obtain the approval of other departments as well, such as Engineering and Construction Management Department or the Capital Assets and Real Estate Manager.

3.06 Landscaping and Maintenance of Improvements. If Lessee elects to install landscaping, before doing any such landscaping, Lessee shall submit to the City a plan showing such proposed landscaping and no work shall be done thereon until the City has given its approval, which permission the City agrees will not be unreasonably withheld. Lessee shall maintain the landscaping on the Premises and keep the improvements on the Premises in a good state of repair and condition. Lessee shall water, trim and maintain any landscaping installed by Lessee so that the same shall be kept in neat, orderly and attractive condition at all times.

Lessor agrees that attractive, low water usage landscaping is a desirable goal and agrees to consider and approve appropriate low water usage landscaping plans if improvements are made to the current landscaping.

Lessor shall be the sole judge of the quality of maintenance and, upon written notice by Lessor to Lessee, Lessee shall be required to perform whatever maintenance Lessor deems necessary. If said maintenance is not undertaken by Lessee within ten (10) days after receipt of written notice, Lessor shall have the right to enter on the Premises and perform the necessary maintenance, the cost of which plus ten percent (10%) shall be borne by Lessee.

3.07 Utilities. Lessee shall pay for all costs for utility services during the term hereof. Lessee is responsible for paying the cost of extending water, sewer, gas and electric lines to the boundary of the property and within the boundaries of the property (connecting to such lines and setting meters), if any.

3.08 Trash, Garbage, and Other Refuse. Lessee shall provide a complete and proper arrangement for the adequate sanitary handling and disposal, away from the Premises, of all trash, garbage and other refuse caused as a result of its use and occupancy of the Premises. Lessee shall provide and use suitable covered commercial type receptacles for all such garbage, trash and other refuse, and will maintain these receptacles, screened from view of adjoining properties or public streets in an attractive, safe, and sanitary manner. Piling of boxes, cartons, barrels or other similar items, in an unsightly or unsafe manner, on or about the Premises, shall not be permitted.

3.09 Outside Lighting. Outside Lighting on the Premises will not be operated at such hours or with such intensity as to constitute a public nuisance to the occupants of other property in the neighborhood. If this provision is violated, the City Council may require any such lighting to be extinguished, changed or removed at Lessee's expense.
